OUR FABRICS

Designed with performance, training and garment customisation in mind

Boost your performance and keep cool in our original lightweight textured polyester fabric. With inherent wickability, quick drying and stretch properties this fabric allows you to raise your game.

Athletic performance is guaranteed with our modern, smooth faced, lightweight polyester fabric. With inherent wickability and quick drying properties keeping you cool, fresh and motivated.

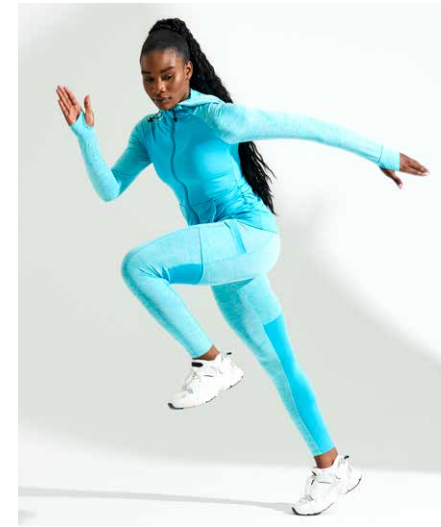

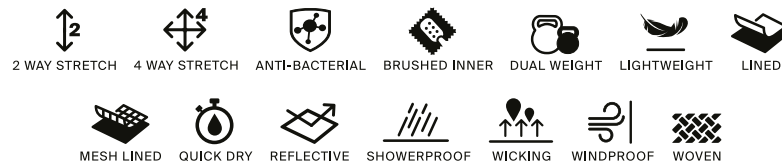

Elevate your results with our ultimate performance fabric. This polyester pique material has superior moisture wicking properties and an antibacterial finish.

Whatever your fitness routine, boost your workout style in the cotton polyester blended performance fabric designed for maximum comfort while looking your best.

TECH CHECK

Let our quick guide icons help you choose your perfect activewear partner.

This lightweight blended fabric has been crafted to enhance your workout. The responsive material moves with your body to keep you looking sleek, stylish and effortlessly cool.

Look as good on your rest days as you do in the gym with this incredibly soft, lightweight, French Terry material. Our Urban Cool fabric offers a modern fit with refined style to guarantee ultimate comfort.

Achieve the ultimate urban sports look with our fashion fit, marl effect fabric. This relaxed, comfortable fabrication is as stylish as it is functional.

Maximise your potential with this matt finish, blended fabric. Sculpted for support this material offers form enhancing fit while keeping you dry and comfortable with superior wicking properties.

Built for training and designed for style, our Cool-Flex fabric boasts a liberating range of movement to help you beat your goals. With wicking, quick dry and stretch properties, this material gives you the confidence to take it to the next level.

Beat the elements with our protective CoolShield fabric. This lightweight coated material is wind and shower resistant and offers a sleek aesthetic for any outdoor training.

All of our kids products have a name label sewn into the side seam or waistband.

All of our products have a tear away label which makes them perfect for rebranding.

RECYCLE REUSE REWEAR

ETHICS AND SUSTAINABILITY

We know our customers are looking for high-quality, high-performance products delivered with integrity. With our recycled range, we are on a journey to bring you a choice of clothing that isn't just functional, but that's better for the world.

As part of the AWDiS brands' sustainability journey, our Just Cool brand is also now officially recognised as 100% free of any animal ingredients. The PETA-Approved Vegan logo was established to label products that no animal had to suffer for, and highlight vegan fashion items commitment to animals.

JC205

Just Cool has introduced a series of handy print guides for garment decorators. Each guide explains how your chosen embellishment method may work on various Just Cool fabrics. Each style is labelled by fabric type and is easily identified.

Our ethics

We're passionate about doing things the right way at AWDIs, which is why we only partner with factories that meet our high standards and commitment across human resources management, health and safety, environmental practices, legal compliance, security standards and local laws. All of our vendors are either WRAP, BSCI or SMETA Audited. We and our global partners have a shared commitment to fair and safe working practices throughout our supply chain. We recognise our responsibility to ensure the manufacturing methods used match the ideals of those who love and wear our products.

International Size Guides.
